

Advances in Synthetic Chemistry & MedChem Europe

8 - 9 April 2010 Munich, Germany

CO-LOCATED EVENTS

Welcome to the 3rd annual Advances in Synthetic Chemistry conference and exhibition and the 6th annual MedChem Europe conference and exhibition.

These conferences will be co-located with ADMET Europe, and Pharma Outsourcing Congress. Registered delegates will have access to all these meetings ensuring a very cost-effective trip.

ADVANCES IN SYNTHETIC CHEMISTRY

Confirmed Speakers to include:

Volker Hessel, Professor, Eindhoven University
Oliver Kappe, Associate Professor, University of Graz
Paul Watts, Senior Lecturer, University of Hull
Ferenc Darvas, President and Chairman, ThalesNano
GianCarlo Cravotto, Professor, University of Torino
Thomas Mueller, Chair of Organic Chemistry, Heinrich-Heine-University (Düsseldorf)

MEDCHEM EUROPE

Confirmed Speakers to include:

Adam Nelson, Professor, University of Leeds
Gerhard Mueller, Chief Scientific Officer, Proteros Fragments
Johannes Kirchmair, Assistant Professor, University of Innsbruck
Beining Chen, Senior Lecturer, University of Sheffield
Gisbert Schneider, Professor, Goethe University (Frankfurt)
Alexander Doemling, Associate Professor, University of Pittsburg

Be part of the event

We are currently accepting poster submissions.
Details can be found online.

For sponsorship and exhibition opportunities contact Aaron Woodley
tel: +44 (0) 1787 315129 email: a.woodley@selectbiosciences.com

Agenda Topics to include:

Advances in Synthetic Chemistry:

- Advances in Synthesis Techniques and Technologies
- Flow Chemistry
- Microwave-Assisted Organic Synthesis

MedChem Europe:

- Compound Management
- Chemogenomics
- Fragment Based Lead Detection
- Formulation
