

*Winter Conference Series on Medicinal
and Bioorganic Chemistry*

ANNOUNCING THE
**9th Winter Conference on
MEDICINAL &
BIOORGANIC
CHEMISTRY**

Sunday–Thursday **January 25–29, 2009**
Sheraton Steamboat Springs Resort Colorado

Keynote Speaker: Professor Steven V. Ley

Scientific Sessions:

- PK/PD Modeling and Simulation: Opportunities to bridge the Drug Discovery to Drug Development Divide
- Natural Products and Process Chemistry
- Featured Departmental Session: The University of Kansas Department of Medicinal Chemistry
- Recent Advances in Understanding and Overcoming Drug Resistance
- Novel approaches for the pharmacological treatment of pain
- Two General Oral Sessions/One Poster Session

Make your reservation today by calling 800-848-8877. To take advantage of discounted lodging rates, call before 5 p.m. (CST), Friday, December 26, 2008 and reference the Medicinal and Bioorganic Chemistry Foundation meeting.

Visit <http://mbcfoundation.org> for meeting information or for instructions on submitting a poster or oral session abstract.
