

eurocarb 15

VIENNA, AUSTRIA
JULY 19-24, 2009

15th European Carbohydrate Symposium, 19-24 July 2009

Welcome to *Eurocarb 15* covering all major topics and advances in modern Glycosciences!

The meeting will be held at the University of Vienna in the heart of the city of Vienna.

The scientific program will address four main general topics

- Chemical and enzymatic synthesis
- New tools and methods in structural analysis
- Glycobiology and glycomedicine
- Glycotechnology and carbohydrate utilization

Confirmed plenary speakers

T. Feizi	Imperial College, London, UK
O. Hindsgaul	Carlsberg Laboratories, Denmark
J. Jiménez-Barbero	CSIC, Madrid, Spain
H. Kunz	University of Mainz, Germany
R. Micura	University of Innsbruck, Austria
S. Oscarson	University College Dublin, Ireland
N. Pohl	Iowa State University, USA
C. Unverzagt	University of Bayreuth, Germany
M. Valvano	University of Western Ontario, Canada

Conference chair and host organization

Dr. Paul Kosma, University of Natural Resources and Applied Life Sciences
Department of Chemistry, A-1190 Vienna, Austria
Tel.: +43 1 36006 6055; fax: +43 1 36006 6059; e-mail: paul.kosma@boku.ac.at

Contacts: eurocarb2009@mondial-congress.com

Deadline for Abstract Submission: March 1, 2009
